

**Position Announcement
Instructor
Department of Physiology, School of Medicine
Southern Illinois University Carbondale**

POSITION AND APPOINTMENT

Non-tenure track 10 month academic term faculty position, beginning August 1, 2020, at 100% time in the Department of Physiology, School of Medicine, in the general area of physiology and anatomy.

DESCRIPTION OF DUTIES AND POSITION

Teaching: Providing instruction to nursing, undergraduate, pre-professional and graduate students in a lecture and laboratory setting and teaching medical students in the first-year medical curriculum. Areas of instruction will include basic, cellular and systemic physiology and functional anatomy. Duties include: lecturing in an introductory anatomy and physiology course designed for nursing students; management of the laboratory for said course; development of lab exercises related to this course, including cat dissection and general physiological processes and related instructional materials; lecturing and developing introductory and advanced physiology courses; developing lab exercises and related instructional materials and developing new on-line courses.

Service: The faculty member is expected to participate in service activities beneficial to the department. Serve on departmental undergraduate committees/ExO.

MINIMUM QUALIFICATIONS

Master's degree or equivalent education in physiology, anatomy or related field. August 2020 graduates will be considered. A sound knowledge of basic vertebrate anatomy and mammalian physiology is required.

PREFERRED QUALIFICATIONS

Experience with mammalian dissection and basic biological chemistry is preferred. Previous teaching experience in undergraduate physiology and/or anatomy is strongly preferred.

This is a security sensitive position. Before any offer of employment is made, the University will conduct a pre-employment background investigation which includes a criminal background check.

SALARY

Salary will be commensurate with education, experience and established School of Medicine guidelines.

DEADLINE FOR APPLICATIONS AND EFFECTIVE DATE OF EMPLOYMENT

Deadline for applications is June 12, 2020; position open until filled. Effective date of employment is August 1, 2020.

APPLICATION

Applicants should submit curriculum vitae and arrange to have at least three letters of reference sent by June 12, 2020 to:
